DEVELOPER

VITALI MAKSIMOV

Dear HR Manager,

I am writing to apply for a position of developer, announced by your company.
I want to be a part of your team and try myself for this position.
I guarantee that I will do my best, accept and solve all the difficulties that I will encounter.

I am an enthusiastic team player with an analytical mindset, who is responsible for his work. I am not afraid of various challenges and easily face with different risks and problems.

Right now I strongly believe that I will continue to grow up my skills and look at my future with optimism.

I would be very grateful to you if you noticed a potential candidate in me, you can also send me a test exercise, I'll be happy to do it.

Sincerely,

Vitali Maksimov
